## ABS Talent Scholarship

**Will you begin studying at the Arnhem Business School in September 2010 and do you live outside of the European Union? Then you may qualify for an ABS Talent Scholarship.**

---

Level of study	Bachelor
Programmes	This scholarship is available for students enrolled in Arnhem Business School programmes, specifically: Business Logistics and Management Communication Studies Human Resources and Quality Management International Business and Management Studies International Finance and Control
Scholarship amount	€ 2,500
Duration of scholarship	All non-EU students automatically qualify for a scholarship from the ABS Talent Scholarship Programme in their first year. Scholarships are awarded to second, third and fourth year students based on their study results.
Eligibility criteria	During your first year, you must demonstrate sufficient levels of talent to qualify for ongoing scholarship support: only students who achieve at least 45 ECTS will receive a scholarship at the beginning of their second year.  After 2 years, you must have at least 105 ECTS  After 3 years, you will need at least 165. The faculty awards the scholarship each year based on study results.  After 4 years, you will no longer qualify for a scholarship, regardless of whether you continue to study or not
