This needs-based grant normally requires a GPA of 3.3, but exceptions may be made at the discretion of the Scholarship Committee. However it should be borne in mind that also these grants are competitive.	
Chris Devries Memorial Scholarship	This scholarship honors the memory of Chris Devries, advisory board member 2002 - 2008 who enjoyed meeting students, helping them learn how to network and build relationships, and stimulated students with potential to achieve greatness.
