Youth Education Scheme (YES) Scholarship

The “Youth Education Scheme (YES)” is one of the cornerstones of the ITU-D “Children and Youth” Special Initiative, in support of needy and deserving young people, from Least Developed Countries (LDCs), developing countries and countries in transition who wish to complete their tertiary education in the information and communication technologies (ICTs) and related fields. The objective is to enable motivated young people to contribute to the development of their communities, country and region using their achieved ICT knowledge and skills.
