

Maastricht University

UM High Potential Scholarship

Maastricht University (UM) aims to further strengthen its position as a leading European university offering high-quality education with an international orientation. To this end, the university implements a proactive recruitment policy for international students, in particular for the master's programmes. Within this framework, scholarships are made available by the UM Scholarship Fund with the aim of encouraging talented students from outside the EEA to follow a master's programme at UM.

Level of study	Master, Graduate programmes for professionals	
Fields of study	Arts & Culture Behavioural & Political Sciences Business & Economics Health and Life Sciences Law Science	
Scholarship amount	Living expenses per month for a maximum of 12 months	€ 800
	Insurance with a maximum of 12 months	€ 500
	Visa costs	€ 438
	Refund of travel expenses	one time only
	Refund of tuition fee	€ 12,000
Duration of scholarship	The scholarship is awarded for the duration of the programme, with a maximum of 12 months per academic year. If a two-year master's programme is involved, the UM Scholarship Committee will award the scholarship for a maximum of 24 months.	
Eligibility criteria	Applicants must be accepted to a UM master's programme or graduate programme for professionals and may be no older than 35 years at the start of the academic year (1 September 2010). Applicants must come from a country outside the EEA and meet the requirements for obtaining a Dutch visa In making its assessment, the UM Scholarship Committee takes all elements of the application into account, including the level of previous study programmes, average grades, duration of the programme, content and originality of the study plan, motivation, status of the foreign institution, the connection with the prior programme, future plans, the proposal and the references.	
Application information	You can download the application form on the website. Applications have to be sent in by 1 April 2010 to the faculty contact person for the UM HIGH POTENTIAL Scholarships.
