Institutes of International Education (IIE)

Institute for Housing and Urban Development Studies (IHS) – www.ihs.nl
International Institute for Geo-Information Science and Earth Observation (ITC) – www.itc.nl

For the full **list of degree programmes** available in English in this study area please see the table on the other side. Duration of the full-time programme is indicated next to the degree. The following degree abbreviations are used in the table:

B – Bachelor programme, M – Master programme;
B (f) – final year course (1-2 years), a minimum of three years of higher education required;
BSc – Bachelor of Science degree;
MA – Master of Arts degree;
MSc – Master of Sciences.

While applying please be aware that there may be some additional application and admission requirements set by the programme, and the university and the scholarship deadlines can differ significantly. More information about available scholarships can be found at www.grantfinder.nl, which is an online search engine that brings together a range of Dutch scholarships for international students.

For more information on study in Holland and **available scholarships** please contact the **Netherlands Education Support Office – Nuffic Neso Russia** in Moscow.
